Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Monday 11 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Drier this morning with widespread rain this afternoon.

Today:
Mostly dry on Monday morning with a few bright spells, but turning cloudy with outbreaks of rain, heavy at times, arriving from the northwest during the afternoon. Breezy but milder. Maximum temperature 9 deg C (48 deg F).

Tonight:
Outbreaks of heavy rain from this afternoon will continue overnight, clearing by dawn with winds easing too and likely staying frost-free. Minimum temperature 2 deg C (36 deg F).

Tuesday:
A clear and dry day with plenty of sunshine and winds. Clouding over later with overnight rain. Feeling colder than Monday. Maximum temperature 4 deg C (39 deg F).

Outlook for Wednesday to Friday:
Cloudy with outbreaks of rain on Wednesday and feeling milder. Turning drier on Thursday with isolated showers and sunny spells. Dry but cloudy on Friday.
